Based in the beautiful University City of Cambridge, we really love photographing Weddings and do so all year round, including Civil Partnerships and Asian Weddings, using a modern, fun and unobtrusive, seamless blend of Artistic, Photojournalistic and Traditional styles in both colour and black and white to create an unscripted storybook of your Wedding, allowing you to relax and enjoy your day.

Collections and Prices

We offer a realistic starting price and a variety of exciting optional extras to suit all budgets, so you can specifically tailor your requirements to your exact needs, ensuring that you pay only for what you require.

We use 2 Photographers, usually 1 male and 1 female, working separately and as a team, so we really can be in two places at once to capture those really special but often missed moments.

We are fun and friendly to work with, but never forget that it's your Special Day, not ours!

We would also be delighted to travel anywhere else inside or outside the UK, but there will be modest additional travel, and overnight hotel costs where applicable.

Main Course from £795

- Two Photographers for up to 5 hours.
- Unlimited number of Photographs of: Bride arriving for ceremony, Groom and Best Man arrival, guests' arrival, ceremony, family portraits, pre-reception, meal, guests at their tables, speeches and cake cutting.
- Personal delivery of up to 100 Professionally Hand Printed Album Quality Photographs size 7¹/₂x5 inches in a black cloth presentation box.
- A 20 page, hard back, 11"x8¹/₂" digitally printed Photo Story Book featuring up to 90 images.
- A DVD of all your photographs, licensed for printing to size A4 (11.7x8.3 inches), in a Fashion Metallic Brushed Gold Folio.
- Pre-wedding meeting.

All your photographs can be viewed and purchased from your own password protected gallery in the 'Client Area' on our website. This is ideal for families and guests who are spread around the UK and abroad, and easier than mailing the DVD or Prints to them all.

A £250 Booking Fee is required to secure your wedding date in our diary and the balance is due 4 weeks before the wedding date.
