Based in the beautiful University City of Cambridge, we really love photographing Weddings and do so all year round, including Civil Partnerships and Asian Weddings, using a modern, fun and unobtrusive, seamless blend of Artistic, Documentary and Traditional styles in both colour and black and white to create an unscripted storybook of your Wedding, allowing you to relax and enjoy your day.

Collections and Prices

Choose from our Gold, Diamond and Platinum Collections which are realistically priced to suit all budgets, and there's NO VAT to add. Each Collection is fully flexible and can be specifically tailored to suit your exact needs, ensuring that you pay only for what you require.

We use 2 Photographers, working separately and as a team, so we really can be in two places at once to capture those really special but often missed moments.

We are fun and friendly to work with, but never forget that it's a privilege to photograph your Special Day.

We would be delighted to travel anywhere inside or outside the UK, but there will be modest additional travel, and overnight hotel costs where applicable.
