Based in the beautiful University City of Cambridge, I really love photographing Weddings and do so all year round, including Civil Partnerships, using a modern, fun and unobtrusive, seamless blend of Artistic, Documentary and Traditional styles in both colour and black and white to create an unscripted storybook of your Wedding, allowing you to relax and enjoy your day.

Collections and Prices

My prices are easy to understand, starting from a Base Collection to which you can then add luxurious Wedding Albums and other quality items tailored to suit your exact needs, ensuring that you pay only for what you require. The prices you see are what you will pay, and there's NO VAT to add.

I use 2 Photographers, working separately and as a team, so we really can be in two places at once to capture those really special but often missed moments.

I am fun and friendly to work with, but never forget that it's a privilege to photograph your Special Day.

I would be delighted to travel anywhere inside or outside the UK, but there will be modest additional travel, and overnight hotel costs where applicable.

The Base collection includes the following:

1. Two Professional Photographers from Bridal preparation to First Dance.
2. An unlimited number of Photographs of:
 - Bridal preparation
 - Bride arriving for Ceremony
 - Groom and Best Man arrival
 - Guests' arrival
 - Ceremony
 - Family groups
 - Pre-reception
 - Meal
 - Guests at their tables
 - Speeches
 - Cake cutting
 - First Dance
3. A USB Memory Stick in a flip-top presentation box and magnetic catch, with High Resolution photos, all licensed to you to share and reprint.
4. Pre-wedding meeting.
5. Password protected Gallery of all images on the 'Client Area' on our website.
6. An online public gallery of selected images.
